Proceeds to Benefit the SBCC Scholarship Fund

Since 2000 the Slate Belt Chamber of Commerce had provided scholarships for High School Seniors from Bangor, Pen Argyl, Pius X, Faith Christian & Career Institute of Technology.

With so many deserving students in the Slate Belt and the increasing cost of higher education, it is our hope to increase the amount of the scholarships or increase the number of students that receive one. Please help us in our endeavors by helping this Trap Shoot to continue its success.

Every dollar counts in the lives of these students attending college.
